Please send your letter until March 21, 2010 to: "Schalalala" c/o Jönköping County Museum, Box 2133, 550 02 Jönköping, Sweden. If you know someone who could be interested as well, please pass this information on - Thanks!

THE JÖNKÖPING LETTER ARCHIVE is an alphabetical collection of knitting patterns extracted from existing fan scarfs. It is part of the exhibition »CRAFTWERK 2.0 - New Household Tactics for the Popular Crafts«, open until March 21, 2010 at the Jönköping County Museum, Sweden.

On this occasion, knitters worldwide are asked to re-knit one letter from the archive and to send it to the museum. All letters will be connected in order of arrival.
